

# MASTERING TR149

**A practical roadmap towards  
environmental sustainability excellence**

For SMEs ready to assess, implement and report with confidence.

## TURN THE TR149 FRAMEWORK INTO PRACTICAL ACTION

Readiness baseline • Hands-on Gprnt • 12-month roadmap

### THE TR149 FRAMEWORK

#### Five connected dimensions

1

#### People readiness

Leadership + workforce

2

#### Structure & management

Strategy + policies

3

#### Operations

GHG + resources

4

#### Supply network

Suppliers + procurement

5

#### Product life cycle

Design + circularity
